

I want you to bend over in front of me again, Emily. The church doesn't have to know... I had moved to the country to try to find some peace and quiet, which was quickly shattered by the local church knocking on my door and trying to talk me into a bible study. I repeatedly told them that I was not interested. But that all changed when the cute and young new girl of the church, Emily, showed up to try to convert me. She was perfect. Early twenties, dark hair, flawless skin. What more could a man ask for? I couldn't resist her beauty, so I finally broke down and agreed to a bible study. But what starts out as a simple bible study quickly turns into Emily riding me, hard and without protection, for her very first time. For once, I was actually happy that I had decided to answer the door. This 7,000-word taboo erotica short story features a masculine man enjoying his time with a fertile young woman who is half his age.
