

Black Beauty is entitled as the first true animal novel talking about a horse which suffered many hardships and gained happiness in the end. The horse was rode by people in the manor, pulled truck in the countryside, and pulled hackney coach on London street. Its life presents the miniature of kinds of horses in England in Victorian period. We can see many good quality from the horsefaithfulness, courage, kindness, and intelligence. It never give up its beliefworking hard and maintaining good fame no matter how hard the environment was. The book depicts social shapes from horse perspective creatively, outlines horses mental activity meticulously, and discusses the probability of harmonious co-existence between people and animals.
