

Charlotte Enright, owner of a small antiques shop called Looking Glass Antiques on Rainshadow Island, and Slade Attridge, the community's new chief of police, both have something in common: they possess strong paranormal talents. They met several years ago when they were in their teens spending the summer on the island. Slade saved Charlotte from a gang of drunken toughs, but then at the end of the summer Slade and Charlotte went their separate ways and started their adult lives. Now, fifteen years later, they have both been drawn back to Rainshadow Island. They will discover the adult passion they have for each other and start to explore some of the mysteries of the forbidden section of the island known only as the Preserve.
