

Hearts in harmony? Instead of falling apart when her childhood sweetheart chose his music career over marriage, Elle Lauren fled to Paris to study fashion design. Her stunning wedding gowns now give other brides the happily-ever-after she didn't have. Ignoring Braxton Chase's long-distance apologies has been easy. But meeting him once more stirs the deep longings and desires that a decade has not erased. Braxton walked away from the pressure to marry at a young age, and he's regretted breaking Elle's heart ever since. From the moment he sees her again at his Atlanta jazz club, he knows he wants more than forgiveness—he wants a second chance at the body-and-soul connection that they once had. Can he convince her to trust the sweet, seductive melody of their lost love?
