

Designed for the one-semester course, Seeleys Essentials of Anatomy and Physiology is written to allow instructors the ability to accomplish one overall goal: to teach the basics of A&P while fostering the skill of problem solving. Through learning how to solve problems and think critically, students learn A&P based on two themes: the relationship between structure and function, and homeostasis. Users who purchase Connect Plus receive access to the full online ebook version of the textbook, as well as SmartBook.

Archaeologia Cantiana, Volume 3, Une mort a Kitchawank : et autres bonnes nouvelles - traduites de langlais par Simone Arous (Litterature Etrangere) (French Edition), By W.
