

Genre: BDSM & Fetish, Holidays Series: The Kinky Truth; Previous Book: Permanent Marker Dante Tieri always looks forward to the Veterans Day bash he funds for the military personnel of the Chicago area. This year is no different, especially when he meets Lieutenant Celina Kouris, a Naval JAG officer who oddly can't care less about his clothes, his looks or his billion-dollar bank account. It isn't easy for Celina to play nice with Dante, as she's watched wealthy playboys ruin the lives of two people she loves. Yet after the man proves himself as more than a stunning face, a luscious body, and a fat wallet, she lets him crack her composure for one night of hardcore passion including the spanking and domination that turn her into a puddle of sexual goo. Celina isn't the only one who thinks mind-blowing sex just got redefined. Dante is shaken by the needs Celina unleashes in him, and he consults with his best friend, Mark Moore, who opens up his world to the magic of Dominance and submission. But when Dante wants to explore more with Celina, her walls are back up, twice as high as before. As the holidays come, can Dante convince her that she really is his guiding star of wonder?
