

Seventeen-year-old Alexandra spends so much time helping others realize their dreams that she never has time for her own. An expert ocean diver and reluctant maker of wedding cakes, she longs to leave roses and frosting behind to study oceanography. Alex's mother won't have it; "needy and dependent, Mom can't run the family wedding cake business on her own. No matter what Alex does, things only get worse for her. When she saves a man's life while scuba diving and becomes the local hero, Mom's angry with Alex for going diving at all. Mom discourages Alex's new friendship with Jeremy, a fun and insanely wealthy boy who happens to have a secret. Then, Alex's best friend, Zack, a hunky island guy, starts to take an interest in her as well. The problem is, he's dating another girl. As Alex struggles to learn where she stands between her two difficult and confusing Prince Charmings, it occurs to her that maybe what she really needs is a Prince Charming for Mom. If she doesn't do something fast, they'll bury her in her Sues Wedding Cakery apron with a spatula in her hand. The Wedding Cake Girl features a colorful island setting, dangerous underwater diving adventures, a family of billionaires, and lots and lots of buttercream. The book is Alex's journey toward not only finding love, but learning how to step forward and take control of her own life, a rite of passage that faces all young readers.
