

What happens when a cuckolded husband turns the tables on his dominant wife? Julie was a sexy MILF turned dominant wife. She caught her husband cheating on her and decided to cuckold him to teach him a lesson, and she realized she liked being dominant, perhaps a little too much... Steve was excited watching his wife with another man, but she took things a little too far. When one of her lovers approaches him with a proposition, it sounds too titillating to refuse - and this time hell even get to participate. How will Julie react to their surprise new guest? And how will she like playing the role of interracial submissive? ** This book includes a bonus eBook from my Sister-in-Law Submissive series - enjoy!**
